

Public Meeting on the Draft Housing Affordability Strategy

October 8, 2024

Council held a public meeting to consider the Draft Housing Affordability Strategy which included how affordable housing is defined, data on the City of Guelph's housing needs, and proposed actions to create more affordable housing over the next 10 years. Council voted to receive the report from staff. A staff recommendation report and decision on the final Housing Affordability Strategy is expected in December 2024; this recommendation report will include considerations around feedback and comments received through the public meeting.
