Have Your Say Guelph

Culture Conversation Café Registration

We are hosting three sessions to dig deeper in culture plan topics in small group conversations with the community.

We hope you can join us!

At each session, we will enjoy light refreshments, and create a mosaic together while talking about culture in the community.

We'll be looking several topics including:

- What does the word 'culture' mean to you
- What is special about culture in Guelph
- What is missing from the culture scene across the community and how we can best address those gaps, and
- What role should the City play in Culture

Please note, if you wish to bring your children along, activities for kids aged 4 and up will be available during the session on Saturday August 5th at the Museum.
